

Centerville School NEWSLETTER

September 8, 2017

TIGERS - 92 student Tigers and 15 Staff are roaring with pride as we begin the 2017-2018 school year following our Tiger Code: *Be kind, Tell the truth, Do your best, Care for each other.* We welcome parents and community partners to join our school family.

SCHOOL FORMS - It is important to keep student information and contact numbers updated. Thank you for returning student information forms to school. Choice Transfer forms for students residing out of district must be submitted as soon as possible. Call the school office if you have questions.

SCHOOL PICTURES - Monday, September 11th, will be picture day at school. Individual, class group, and volleyball pictures will be taken at this time.

WATER SYSTEM UPDATE - Centerville School is continuing to work on resolving our water system issues. With the recent tests performed by our Water System Manager and the consultant guiding us from Department of Health, we are continuing to use bottled water for drinking and food preparation as a precaution. Students will be supplied water bottles as needed and use the water cooler filling stations for refilling bottles. If you have any questions, please reach out to Kristin Cameron. We will keep you apprised of the situation as we work closely with water authorities to resolve the matter as quickly as possible.

VOLLEYBALL - Come watch our first volleyball game on Thursday, September 14th. Volleyball games start at 5:30 pm. The Tiger girls have been working hard and are ready to win!

GYM SHOES - All students need gym shoes for fitness and in-door recess. Shoes do not have to be new, but should be clean with rubber soles and need to be left at school. It has been necessary to keep children indoors for recess because of the poor air quality. Please help your child get gym shoes to school so they may participate.
