BOX TOPS FOR EDUCATION - The PTC will be conducting their last and FINAL Box Tops for Education contest. Box Tops will be accepted on Monday and will be collected through Friday, January 26th. All classrooms will be competing for weekly, homemade goodies provided by our PTC leaders. Please contact extended family and friends to help complete the Box Tops for Education contest with a strong submission. This will end the Box Tops for Education program forever. Thank you, in advance, for supporting this PTC fundraiser.

LEVY - Centerville School will run a replacement Maintenance and Operations levy and a levy for Technology/Infrastructure on February 13th. Be watching for more information coming later this month.

APPLAUD TO PARENTS - Parents play an important role in their child's success in school! When encouraging children to do their best and emphasizing the importance of school and learning, children learn to value education. Thank you for checking student papers and homework often and inquiring about school and classroom activities. Making everyday math connection and reading at home is important. Read aloud to your child or listen to them read to you. Enjoy some family talk and read a book tonight!

BASKETBALL - The mighty Tigers will be scoring on our home court two nights next week! We play Lyle/Wishram on Monday and host Klickitat on Thursday. The girls' games start at 5:30 and the boys' games immediately follow. PTC Boosters provide a great concession stand; check it out when you come to the games!
