

Centerville School NEWSLETTER

January 26, 2018

REPORT CARDS - Report cards were sent home with all students today. Now is a great time to emphasize the importance of education as you review your child's progress and achievements. Please contact teachers if you have any questions or concerns.

COMPUTER AGREEMENT - We have just completed revising the Centerville School Student Computer Use Agreement. This is an important document for students and parents to read and understand. It is being sent home with every student today. After reviewing the agreement and responsibilities, it will need both parent and student signatures and then be returned to school next week. Please call if you have any questions.

CANDY GRAMS - Yes, it is time for friendships to flourish! Valentine's Day is fast approaching and so are sales for CANDY GRAMS. Valentine Candy Grams are student favorites and will be sold again this year starting on February 5th. Be looking for more information coming in next week's newsletter!

BASEBALL - Goldendale Little League sign-up is now open and continues through February 20th. Registration forms are available to pick up at McCredy's Store in Goldendale. For more information, please visit the Goldendale Little League Facebook page.
