

Centerville School

NEWSLETTER

April 13, 2018

HONOR ROLL - Congratulations to the outstanding students who earned academic achievement honors for 3rd quarter. Centerville School is proud of their dedication and commitment to learning! 5th graders Layne Bruhn, and Ada Garner; 6th graders Juliette Aarness, Josie Brooks, Wade Endicott, ***Lexi Molnar 4.0 GPA***, Jaydon Rolfe, Josh Smith, Tyson Young; 7th graders Olivia Armstrong, Samuel Bischoff, Riker Hanning; 8th graders Corynn Kayser and Caleb Smith.

FLOWER BASKETS - All orders for the potted flower baskets need to be in by Tuesday, April 17th. These beautiful flowers come from Vanguard Nursery and will be delivered in May, just in time for Mother's Day. Be sure and get yours ordered today! Profits help fund the 5th and 6th grade Outdoor School at Camp Gray.

SIT AND SIP - We are looking forward to parents and community members attending our School Improvement Team meeting while having a soup supper. Plan to join us in the school gym at 6:00 on Tuesday, April 17, to discuss school programs, activities and plans. If you haven't sent in your RSVP, please give us a call before Tuesday.

KINDERGARTEN REGISTRATION - Our annual kindergarten screening and registration is scheduled for May 22. Please contact the school if you have a child (age 5 by September 1) who will be entering kindergarten and joining Centerville School in the fall.

TRACK - Tiger tracksters traveled to Glenwood on Thursday for the first meet of the season. Athletes are working toward personal bests in their events. They will compete at White Salmon on Wednesday.

KINDNESS - "Kindness is at the door, and we have let him in!" This is a quote from one of our Kindergartners. We have taken that thought and expanded on the kindness we see with each other and around our school. Kindness is in the AIR! All month we will have kindness activities to promote the concept of See Something, Say Something! Starting with a color contest, continuing with a word wall, and then skits to promote kindness. The culminating project is an assembly promoting kindness with BucketFillers for Life guru Kelly presenting the concept of bucket fillers, bucket dippers, and our personal lids to be happy for life! We are happy to have this opportunity to promote kindness and happiness throughout our school and community.

ARE YOU SMARTER THAN A CENTERVILLE STUDENT? - Check out the back of this newsletter!
