

Centerville School NEWSLETTER

April 20, 2018

ASSEMBLY - Centerville staff and students take pride in promoting kindness and happiness throughout our school and community. We are pleased to welcome BucketFillers for Life, as guru Kelly presents the concept of bucket fillers, bucket dippers, and our personal lids to be happy for life. Please feel free to join us for this assembly on Thursday at 8:30 AM in the school gym.

WELCOME - Centerville School is very pleased to welcome Mrs. Amy Gasparovich, on staff. She has been hired to fill the Custodian/Grounds/Maintenance position. Mrs. Gasparovich is doing a wonderful job and is a great addition to our school family and community.

FIELD TRIP - The 7th grade students will attend the Gorge Technology Alliance career day at Columbia Gorge Community College on Friday. This STEM (Science, Technology, Engineering, Math) event offers students a great opportunity to learn about local jobs in science, technology, engineering and math and the educational pathways to reach those jobs.

STATE TESTING - The state-required Smarter Balanced and Measurement of Student Progress (MSP) tests are readily approaching. Attendance is extremely important during this time so please ensure appointments or time away from school do not interfere with test dates. Students who take the tests with their classmates have more success. Here is the schedule for your planning:

3rd and 4th grades
May 7, 8, 10, 11

5th, 6th, 7th, 8th grades
May 14, 15, 17, 18, 22

LOOKING AHEAD - We have many special days coming up later this spring and want to share these dates for your planning:

May 19, Lego Expo in The Dalles

22, Kindergarten Screening/Registration

24, ASB Representative Trip to Yakima

25, NO SCHOOL

29, 30, 31, June 1, K-4 Swim Lessons

June 5, 8th Grade Trip

6, AR Celebration Swim Trip

6, Graduation 7 PM

7, School Picnic

8, Last Day of School
