

# Centerville School Newsletter

April 27, 2018

**BIKES FOR BOOKS** – Great news! The Masonic Lodge has announced sponsorship of 2 bikes to Centerville students in their Bikes for Books Program. This program promotes reading and a love for books. Teachers and students in grades 1-4 are gearing up for some exciting reading adventures where students earn tickets for reading. In June the Masonic members will draw two lucky tickets and the winners will receive new bikes. Please join us in applauding the Masonic Members' generosity and commitment to education!

**BUCKET FILLERS** – We had an awesome assemble on Thursday presenting concepts of kindness and happiness for life. Simple solutions for kindness are: 1. fill more, 2. dip less, 3. use your lid. Ask your children about this motivational presentation.

**TRACK** – We are proud of the athletes representing Centerville School at the track meets. Theses students are working hard to keep their academic eligibility and striving for personal best on the track. The next track meet will be held in Bickleton on May 3<sup>rd</sup>.

**PTC** – The Parent Teacher Community members will meet at 6:00 PM on Tuesday, May 2nd, in the school library. Come join fellow parents and staff as we discussed upcoming events.
