

Centerville School NEWSLETTER

May 11, 2018

APPRECIATION – Centerville Staff members extend heartfelt thanks to students and parents for the overwhelming appreciation shown this past week. The wonderful staff luncheon provided by the PTC and parents was truly enjoyed. Flowers, cards, many gifts and kind words made Staff Appreciation week very special! We are thankful for our amazing families of Centerville School.

ASSESSMENTS – The awesome 3rd and 4th graders have persevered through state testing showing what they know! Next week students in grades 5 through 8 will be testing. We are looking forward to 100% attendance while they get their chance to “show what they know”!

BOOKMOBILE – The Fort Vancouver Library Bookmobile comes to Centerville School every other Wednesday. June 6th is the last *school day* for students to return books, though the bookmobile continues coming to Centerville School throughout the summer.

ACCELERATED READING – The year-end AR celebration will be June 6th. This special event includes a picnic at Ekone Park followed by a swim party at the Goldendale pool. Students must reach their 4th quarter AR goal and have all school library books returned in order to be able to attend the celebration trip. Keep on reading, Tigers!

KINDERGARTEN REGISTRATION – May 22 is our kindergarten screening and registration for next school year. Letters have been sent to incoming students who will be age 5 by August 31st. If you have a student coming to kindergarten and have not received a letter, please call the school for information. 773-4893

LEGO LEAGUE EXPO – Lego League members have been creating some fantastic models! We are looking forward to a demonstration at 8:05 on May 18th. Our two lego teams will travel to The Dalles and participate in the Junior Lego Robotic Expo on May 19.
