

Centerville School NEWSLETTER

October 7, 2016

TIGER CODE - *Be Kind *Be Honest *Do your Best *Care for Each Other
Hooray! Centerville students are awesome and our Tiger Code tells you why!

SCHOOL BUS SAFETY - Students participated in school bus safety drills this morning. Bus drivers were on campus to instruct evacuation procedures for all students to practice. As we recognize National Bus Safety Week, parents are asked to talk with your children about the importance of listening to the driver and following bus rules. It is a top priority to keep students safe. Thanks go out to our bus drivers: Mrs. Shelly Mersch, Mr. Lance Thompson, and Mrs. Linda Story!

SUPERVISION - We welcome students and families to attend afterschool athletic games and activities. Please remember that students need to be accompanied by adults when attending events, as the playground is not supervised after school hours. This also ensures children have transportation home at the time events conclude.

PHOTO PERMISSION - Important, please read and complete the Photograph Use Permission Form on the reverse side of this newsletter. It is ***required*** that all students return this form to school.

LOOKING AHEAD - October 19 11:45am Early Release
Volleyball Tournament at Klickitat
21 No School
25 Picture Retakes
School Board Meeting
28 Spook Parade
November 2,3,4 Parent-Teacher Conferences

Dear Parent,

The following form grants Centerville School permission to use you child's photograph on our new website and other school publications such as our school calendar. We believe that we can better display and describe our school by showing our most important component, our children. We also want to protect your rights to deny this request. Please fill out the following information in support of our request or write NO on the form. Please have your child return the completed form to their teacher.

Photograph Use Permission Form
