

Centerville School NEWSLETTER

February 17, 2017

PRESIDENTS' DAY - School will be closed on Monday, February 20, in observance of Presidents' Day.

BOOK FAIR - Centerville School will host an annual Scholastic Book Fair March 7th and 8th. Scholastic books are delivered and fill our library with a wonderful display of books available to purchase. Please contact Mrs. Barthlow, vikki@centervilleschool.org, if you would like to volunteer at the book fair. Look for more information in the next newsletters.

SPORTS PICTURES - Lifetouch Photography will be on campus Wednesday, February 22, to take basketball pictures. Athletes need to remember to bring picture packets with payment or may preorder online at lifetouchsports.com and use ID #F0736826X0.

JR. LEGO ROBOTICS - Team sign ups open Monday, Feb. 20, for first through fourth graders interested in being on a Junior Lego Robotics team. Space is limited and sign up will be on a first come basis. This non-competitive program includes a 75-minute after school meeting one day a week starting mid-March through early May and culminating in teams displaying their robotic creation at a league expo in The Dalles. If you are interested in having your child involved, email Carole Garner, garner.carole@gmail.com.

EXCITING MARCH - As we head towards March, the Centerville Tigers have some awesome events to look forward to! We will be Reading Across America, attending a Camp Super Friend Assembly, study photography in an Art Residency, start Track season, and end the month with Spirit Week! And yes, we do have lots of learning to accomplish each day!
