BIKES FOR BOOKS - The Masonic Lodge has invited our 1st through 4th grade students to participate in their Bikes For Books Program! This program promotes reading and a love for books. Students will earn tickets for reading and in June two lucky winners will be drawn to receive new bikes! Join us in applauding the Masonic Members' generosity and commitment to education.

CURRICULUM PREVIEW - Centerville School will soon be adopting a new English-Language Arts curriculum. Parents and community members have an opportunity to preview English-Language Arts curriculum on Tuesday, May 16, from 6:00 to 7:30 PM. Please join us in the school library, see the 3 curriculum options, and visit with staff about the ELA adoption. This will be an informal Open House style event.

BUS NOTICE - Thursday, May 11, an afternoon double route will be necessary due to unavailable bus drivers. Please make note that your child may be arriving home earlier or later than normal. The arrival times will be the same as this past Thursday, May 4th. Your cooperation is appreciated as we are trying to fill a bus driver vacancy.

PRESIDENTIAL PHYSICAL FITNESS - Next week students will be assessed and scored on fitness skills. All students need to wear or have appropriate clothes for participating, including comfortable running shoes.

BOX TOPS - Hooray!! Thanks to everyone for the great participation in collecting Box Tops for Education. This fundraiser brought in \$419! These PTC Funds help to support many extra events at our school and students appreciate the prize goodies provided during the classroom box top contest.
