**HEALTH INFO** - Unfortunately during this time of year more students become ill due to colds, viruses, and flu-like illnesses. Good attendance is important but *please* do not send your child to school if he or she is ill. A child with a severe cough, who has been vomiting, or who has had a fever of 100 or more within the *past 24 hours* should not be sent to school. We strive for all students to be healthy and successful at school.

**CHRISTMAS PROGRAM** - We are looking forward to this special event as students practice their parts and songs fill the halls. The Christmas program is Tuesday evening, December 20<sup>th</sup>. It is a tradition for families to bring popcorn balls and cookies to enjoy as we gather together with friends and neighbors. This year all families with last names beginning A-L are asked to bring cookies for refreshments and families M-Z are asked to bring one dozen popcorn balls. Your participation is appreciated in making this holiday celebration a huge success.

Centerville School is proud of these student athletes for their dedication and commitment. They work hard on and off the court, as they must continually meet the academic requirements of the classroom and play basketball competitively.
