

# Centerville School NEWSLETTER

January 27, 2017

**TACO FEED** – Head into the Goldendale American Legion from 5:00 to 7:30 tonight. The Rodeo Club is fixing up some great tacos! Join the fun live dessert auction and make your bid for silent auction items. “To go” orders will be offered for your convenience. Our local junior and high school rodeo club members appreciate your support at this fundraiser.

**AR STORE** – Students have been reading up a storm and earning Accelerated Reading points! Congratulations to these amazing students who go beyond expectations, striving to be their best! On Monday students will be invited to the AR store to “spend” their points on a great selection of prizes.

**SCHOOL BOARD MEETING** – Tuesday, January 31, the Board will be meeting in the school library at 6:00 pm. Candidates will be interviewed for the vacant Board position during the meeting. As always, the Board agenda and information is posted on our school website: [www.centervilleschool.org](http://www.centervilleschool.org).

**ASSEMBLY** – We will have an award assembly Wednesday morning, February 1, at 9:30 to recognize students earning Honor Roll and Accelerated Reading achievements. Parents are welcome to join us in the gym as we congratulate our Tigers.

**LEGO TEAM** – Centerville will be fielding a Junior Lego Robotics Team this spring and participate in the Lego Expo in The Dalles in May. More information on the program, including long-term benefits such as scholarship opportunities, and how your child can participate, will be presented at the February PTC meeting. The Junior Robotics team will be open to 1st through 4th graders this year.

**SPORTS REPORT** – Last night the Tigers went up against Trout Lake in what was sure to be 2 tough games. These teams did not disappoint! Each played with determination, assertiveness and heart. Trout Lake ended up with the win for both games with the score of 17-29 girls and 30-43 boys. On Monday our basketball teams play Klickitat at home starting at 5:30pm.
