

Centerville School NEWSLETTER

November 17, 2017

COLOR BOOK & ESSAY CONTEST - Centerville School is pleased to partner with Windy Flats Partners, the Columbia Hills wind farm, to provide students with a wonderful Color Book and Essay Contest. Windy Flats Partners, our community partner who has supported our school in many endeavors, including playground repairs and Artist In Residence support, has decided to make a coloring book of our students' artwork. They have asked students to make a line drawing of the Centerville landscape along with a corresponding essay/writing to explain what wind mills or wind turbines mean to them, their community, and the world as a renewable energy product. The grand prizewinner will receive a Microsoft Surface Device. There are also prizes of a Leap Pad and Kindle Fire to be awarded. Ask your child about their project and part in this wonderful opportunity!

NEW WATER BOTTLES - Republic Regional Landfill representative, Travis Gray, presented new reusable water bottles to all Centerville students! Republic heard about our water usage and wanted to inform the students of recycling, carbon footprint, and the landfill. The presentation made by Mr. Gray was wonderful. We are lucky to have such great support from local community business partners. Students will use their water bottles at school.

APPRECIATION - Thank you to the American Legion Post #116 for helping in our very colorful and successful Veteran's Day Assembly. Our local Scouts; Eli Golding, Samuel Bischoff, Evan Bischoff, Mason Miller, and Taryn Miller, assisted the Legionnaires in presenting our country's colors. We followed with the singing of the National Anthem and the Pledge of Allegiance. Then the 5th and 6th graders and many 7th and 8th graders made presentations about Veteran's Day. We had many family and friends in attendance that we recognized for their service. Thank you to all that participated and attended.

CHRISTMAS BAZAAR - Centerville School's 6th annual Holiday Bazaar is coming! It will be held on December 2nd from 10am-4pm at the school. This is one of the PTC Booster Club's biggest fundraisers; the proceeds help fund student needs at the school. Examples include field trips, supplies, teacher requests, playground equipment, along with supporting many other activities. There will be a raffle table with gift cards, merchandise, and services donated by local businesses and community members. If anyone is interested in donating items to our Christmas raffle, it would be greatly appreciated. Items can be brought into the school office any time before December 2nd. Hope to see you all for a fun filled day of crafts, Christmas décor, prizes, delicious food, and good company.

THANKSGIVING HOLIDAY - School will dismiss at 11:45 next Wednesday for the holiday break. The Centerville School Staff wish each and everyone a wonderful Thanksgiving.
