WINTER THANKS – The season brings challenges beyond our control including school closures and delayed starts, frozen pipes, and impassible roads. Centerville School appreciates your understanding and cooperation during these winter days. Please join us in extending a huge “Thank You” to both the Sizemores and Rhoades for doing such a great job clearing the school parking lot!

BASKETBALL – Come watch some exciting basketball action on Thursday! Our Tiger teams will play against Klickitat, with the girls’ game starting at 5:30 and the boys’ game will follow. PTC will have concessions available so enjoy a hotdog while you cheer for our Tigers!

SPORTS REPORT – The basketball teams traveled to Trout Lake last night. This is the first time these teams have played each other this year. First up were the girls, Trout Lake came out strong and our girls put up a great fight. They did not take home a win; the score was 31-10, Trout Lake. Keep fighting girls! Next up were the boys; this game was a battle the whole way through. With 5 seconds on the clock and Centerville down by 2, Samuel went for a 3 pointer and was fouled by Trout Lake. He was given 3 free throws, first one was a miss but Trout Lake had a lane violation. Second, third and fourth shots were good and Centerville won 31-30. Way to go boys!

SUPPLIES – As mid-year approaches, students often find their school supplies need replenishing. Please check with your child to ensure they still have paper, pencils, erasers, etc.
