

# Centerville School NEWSLETTER

May 19, 2017

**TESTING** – Students have worked hard this week and completed several assessments. Next week will conclude the Smarter Balanced tests. Keep up the great work, Tigers! We are proud of students for doing their best!

Grade 3 – May 22, 23

Grade 5 – May 22

Grade 4 – May 24, 25

Grade 8 – May 22

**MUSICAL** – You are invited to our Spring Musical. The K-4 students will be presenting It's a Hit and 5-8 students will perform Destination Rock 'n' Roll. Mrs. McKern's music classes have been practicing for months and look forward to entertaining family and friends! The program will begin at 1:30 on Thursday, May 25.

**NEW TEACHER** – Mrs. Ann Cochran will be joining Centerville School as our new kindergarten teacher. Join us in welcoming her to our school community.

**SWIM LESSONS** – All kindergarten through grade 4 students will be participating in swim lessons as part of their spring physical education. Information and permission slips will be sent home with students on Monday. This paper needs to be signed and returned to school.

**LEGO LEAGUE** – Our two junior Lego robotics teams, The Fierce Furballs and the The Black Panthers, had a fun and rewarding season! They two have activities left. The first is a showcase to the Centerville Student Body at Tiger Meet Up this coming Monday, June 22. Both teams will display their robotic creations and educational posters and talk to their fellow students about their experience on the team. The season will then wrap up on Saturday, June 3, with an Expo at the Hood River Historical Museum. Teams will get to see other robotic creations and display their own, while learning from high school robotics teams. If you would like to get your child involved next year (1st- 4th or 4th-6th), look for notices and information early Fall.
