FAMILY INFORMATION NEWSLETTER

April 29, 2024

PRESIDENT'S PHYSICAL FITNESS CHALLENGE 2024 – Our annual fitness challenge is planned for Tuesday, April 30 and Wednesday, May 1. Please help your child prepare for the strength, endurance, and flexibility portion of the assessment set for Tuesday, April 30. The mile run, a school-wide favorite, will happen on Wednesday, May 1 at 10 AM. All students are “challenged” to participate and to try to meet the National Standard expectations.

STAFF APPRECIATION WEEK – Next week we will celebrate our WONDERFUL Centerville School staff. Please take time to express your appreciation and gratitude you have for the hard work that the Centerville School staff puts in for the success of students and our community.

TRACK STARS – Our track athletes traveled to Bickleton and Maupin last week. The athletes came away with Person Records (PR) and some high placings among tough competitors. Congratulations to Titus S. for winning the 200 m at both meets. Jacob G. continues his awesome performance in all of his events. He achieved a distance of 33' in the Triple-Jump. Tally L. continues to place in all of her events and present herself as a top athlete. Will R. placed in the 100 m hurdles. Centerville boys were the last 5 competitors at the High Jump in Bickleton, so the Tigers took 1st – 5th place. Way to go athletes!

STATE ASSESSMENT SCHEDULE – It is best practice for students to take the intense state assessments with their regular classroom in their regular learning environments. Therefore, we ask that you ensure your child be in attendance on state testing days. Assessments begin first thing in the morning and most finish prior to lunch. 3rd/4th grade May 13, 14, 20, and 21. 5th/6th, 7th/8th grade May 13, 14, 16, 17. The 5th and 8th grade have an additional science assessment on Monday May 20. If you have questions, please reach out to your child's teacher.

Looking Ahead:	Track Meet @ Trout Lake @ 3:00 PM	April 29
