FAMILY INFORMATION NEWSLETTER

September 17, 2024

STUDENT HOURS – Students are expected to attend school daily from 7:45 - 2:30 Monday, Tuesday, Thursday and Friday. We start our day with a wonderful, all-school assembly. “Tiger Meet-Up” is a time to connect, engage, visit and set students up for a successful day. Each Wednesday we have school from 7:45 – 12:00. Please schedule appointments during non-school hours; as this is the least disruptive to your child’s learning and allows the most face-to-face time with our students. Because as Tigers say, “If you miss school, you miss out!”

 **VOLLEYBALL** – The Lady Tigers are getting ready for their first home volleyball game against Trout Lake on Monday, Sept. 23 at 5:00 in the Tiger Dome. Come cheer on the team. The Tigers then have an away game at Bickleton on Wednesday, Sept. 25. Go get ‘em Ladies!

 **FOOTBALL** – The 7th and 8th grade boys are again playing with Goldendale Middle School for middle school football. The boys will play at Walter Strom Middle School on Thursday, Sept. 19. Go get ‘em Tigers; make us proud!

ASB – ASB has begun with Advisor Olson leading 30 students to become Tiger Leaders. ASB is a student-based leadership group who help plan and execute activities throughout the school year. Their biggest role is supporting our athletic teams during home games. Officers and ASB members will be announced next week.

UNIVERSAL SCREENING – Centerville School uses 2 forms of universal screening to identify needs for continued support for students. All students receive beginning of year screening in math with iReady and STAR and in ELA/Reading with iReady and STAR. Further information will be provided to parents if students are identified for special programs: Highly Capable, Title 1, LAP, and more. If you have questions, please reach out to Principal Cameron.

BEHAVIORAL HEALTH SERVICES – Centerville School is fortunate to have Behavior Therapist, Ms. Jennifer Weltin as part of our team. She provides students with support services through an ESD Behavioral Health Team. If you would like information about services, please connect at 360-952-3435, Jennifer.weltin@esd112.org or refer your student at <https://www.esd112.org/safety-center/wellness-treatment-services/>

COORDINATOR INFORMATION – Principal Kristin Cameron is the Compliance Officer for Title IX, Section 504, and Civil Right questions or complaints. Complaint procedures and other information may be found on the website at www.centervilleschool.org. 509-773-4893. kristin@centervilleschool.org

POLICY AND PROCEDURES – Information about student, staff, and school policies and procedures may be found on the school website at www.centervilleschool.org or by coming into the school and asking for information. This includes policies on sexual harassment, harassment intimidation and bullying (HIB), gender-inclusive practices, Section 504, language access services, homelessness, and equity.
