Thank you, student leaders, for your dedication to Centerville School.

**VOLLEYBALL** – Congratulations Lady Tigers on your play last week. They came away with a win at Bickleton. The Tiger athletes will compete at home tonight at 5:00 against Lyle/Wishram.

**FOOTBALL** – The Jr. High football team played Highland last week. They will play at Mabton on Thursday this week. Keep working hard Tigers!

**DRILL SCHEDULE** – Centerville School has established a safety drill schedule that allows regular and timely practice. Fire, lockdown, earthquake, hold, evacuation and secure drills are practiced regularly. Check out the parent handout that went home today with important information for students, families, and staff. We work diligently to keep students safe! Contact the school for information on our Emergency Operation Plan.

**STUDENT ATTENDANCE** – Students are expected to attend school regularly. There are limited absence excuses: illness, doctor/medical appointment, family emergency, court/judicial activity where the student's attendance is required, religious or cultural purpose, or a prior-approved activity. Your child must have written documentation explaining the absence on record for audit purposes. Please help our school follow state rules and encourage daily attendance. Please communicate with school staff if your child is absent.

**PTC** – Centerville School **P**arent-**T**eacher-**C**ommunity Booster Club is a non-profit organization that provides support to students and staff for activities that go beyond basic education needs. The first meeting of the year is Wednesday, October 2 at 6:00 PM in the library. If you would like to be involved, please attend the meeting or reach out to co-presidents Justine Bradley ([justine@centervilleschool.org](mailto:justine@centervilleschool.org)) or Alex Casimiro via Facebook at Centerville School PTC.

**STUDENT SUPPORT AND SUCCESS PROGRAMS** – All students are screened for academic performance levels at the beginning of each year. Once student data is reviewed, students are identified for support and acceleration programs. Each classroom teacher will provide information to parents at fall conferences. If you have questions, contact your child's teacher.

**MID-TERMS THIS FRIDAY** – Please watch for official mid-term progress reports being sent home with all 5<sup>th</sup> – 8<sup>th</sup> grade students. Parents are required to acknowledge and sign forms. If you have questions, please reach out to your child's teacher or check Family Access through Skyward.
